

A total of 164 091 kg's was offered on the fourth sale of the 2014 Summer Season. The offering consisted of some excellent individual clips and good quality in general. 96% of the total offering was sold.

The market continued to deliver strong results, with the kid market experiencing continued strong demand, which can also be partly attributable to the quality of individual clips on offer. The average market indicator gained 4.7% from the previous sale to close on R154.34 per kg.

There was once again strong competition amongst all buying houses, with greasy exporters taking up a bigger portion of the offering than usual, despite a stronger currency.

Fine adults were the only sector of the clip experiencing a small correction, mainly due to shorter hair on offer in this sector.

A highest price of R632.00 p/kg was paid for a bale of 24 micron super style kid mohair.

Compared to the previous sale, prices were as follows:

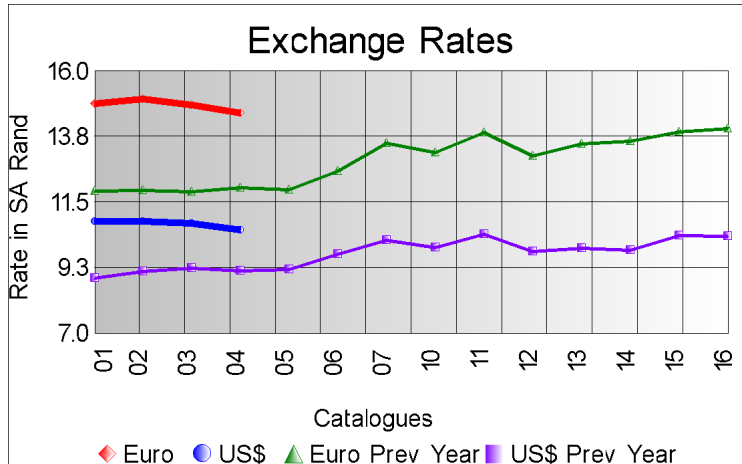

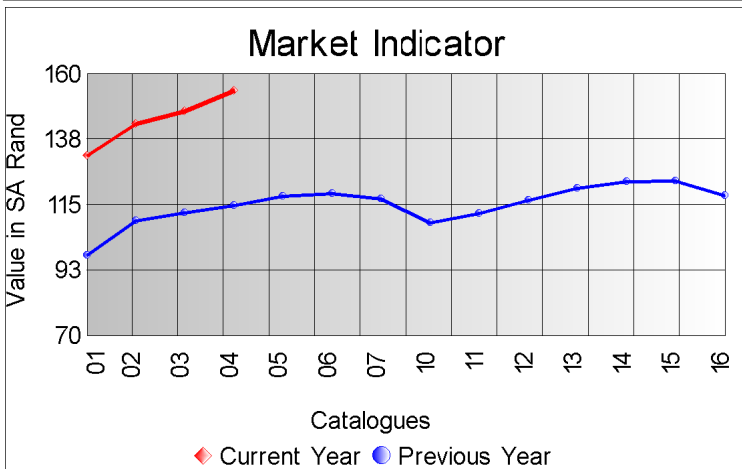

Kids (summer) up 6.9%
 Young goats (summer) up 4.8%
 Fine adults down 3.6%
 Strong adults up 4.0%
 Average up 4.7%

The next sale will take place on 13 May 2014.
