

The third sale of the 2021 winter season took place in Port Elizabeth today, 28 September 2021, with 167 849kg on offer of which 95% was sold.

The offering consisted of some good quality mohair, however the yield % was below average. 72% of the mohair on offer were RMS certified. Overall, the buying houses competed actively for the mohair offered, especially for the RMS certified mohair and more specific the stronger mohair segment of the market. Although the demand to the finer mohair is still good, we started to see some price resistance in this segment of the market, which in turn puts pressure on the kid and young goat prices.

The average market indicator decreased by 5% (decreased by 9% in dollar terms), from the previous sale, to close on R398.58 per kg.

A highest price of R880.00 per kg was paid for a bale of super style 25 micron kid mohair.

Compared to the previous sale, prices were as follows:

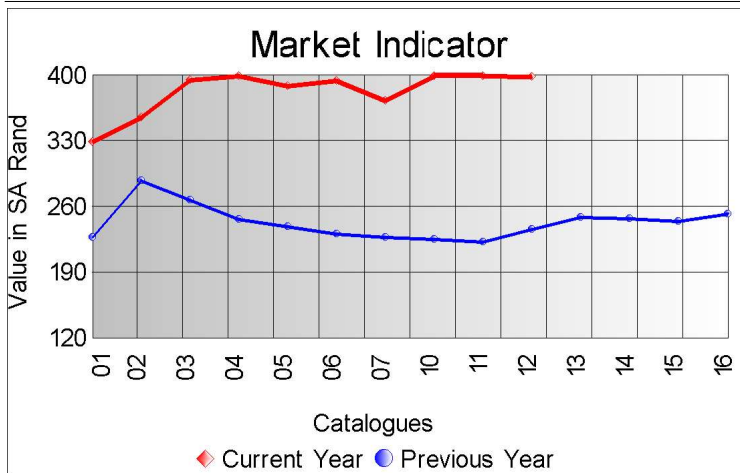

Kids	Down 9%
Young Goats	Down 3%
Fine Adults	Unchanged
Strong Adults	Unchanged
Average	Down 5%

The fourth sale of the 2021 winter season will take place on 19 October 2021.
